

Kennedy Choirs Alliance

The Kennedy Choir Boosters believe every student should have the opportunity to participate in the fine arts. Over the years, thousands of students have become part of the Kennedy Choir family, receiving first-class instruction in music and performance and learning social skills critical to their future success such as discipline, confidence, and teamwork. In addition, many of our students develop lasting friendships in the choir program and a life-long appreciation for music and the performing arts. Your gift helps us provide tuition assistance to students in need and ensures the continuation of our programs.

Kennedy Choirs Alliance LEVELS 2018-2019
