

SUPPORT THE KENNEDY CHOIR PROGRAM

As we kick off another school year, the choir program at Kennedy High School is in full swing preparing for a year filled with performances, competitions, and opportunities to share their music with the community. Over the last two decades, the Kennedy Choirs have seen increased success and support from those in the community, and we hope this year is no different.

As a Bloomington local, you know the importance of this community in the lives of our students. The choir program at Kennedy High School allows nearly 200 students to be involved in the arts and supplement their learning in the classroom. Our students and their families dedicate hundreds of hours throughout the school year, and this involvement helps prepare students for a life after high school in so many ways. However, this involvement doesn't come without a price. Participation in the arts can be expensive and that is why we need your support.

With your support, our students can focus on their involvement, regardless of the cost of participation. Your contributions and sponsorships can help us open doors for new students and families to become involved in the performing arts at Kennedy High School and to be part of the award-winning, life-changing choir program.

We hope you will consider supporting the Kennedy Choir Program this year through our brand new sponsorship program. On the following pages, you will find ways you can become a supporter and sponsor for the 2019-2020 school year.

If you have questions, please reach out to Matt Dymoke, Assistant Director, at mattdymoke@gmail.com for more information. Thank you for your support.
